PRODUCT NEWS

New Gate Operators Have Universal Controller

Federal APD has just introduced their new SlideGuard and Swing-

Guard heavy duty Gate Openers. These attractively priced gate operators offer many standard features which are options on competitive units.

One model of gate operator suits many applications with SlideGuard and SwingGuard's Universal Controller. The $\frac{3}{4}$ HP Heavy Duty Motor and #50 Drive Chain can withstand the toughest industrial or commercial traffic applications.

For servicing ease, the SlideGuard Gate Operator incorporates a removable cover for easy access to all parts. All electrical components are located on a single interior control box. The new SwingGuard Gate Operator features a unique "Easy Access" Sliding Track for all controls.

For more information on SlideGuard and SwingGuard, as well as other Federal APD products, call 1-800-323-4191, or write Federal APD, 291 Frontage Rd., Hinsdale, IL 60521.

Federal Signal Corporation, listed on the New York and Pacific Stock Exchanges, is a manufacturer and worldwide supplier of public safety, signaling and communications equipment, emergency vehicles, security and parking control systems, signs and electronic message displays, twist drills, carbide cutting tools, precision punches and related die components.

Theft Detection Kits

Kidprint Products has recently introduced its new line of visible and invisible theft detection powder kits. These new kits are highlighted by their completeness from disposable

gloves, applicator and step by step instructions for use, to their very reasonable cost: visible stain kit, \$3.97 each, the invisible stain kit at only \$4.44 each. The company also carries a line of fingerprint equipment and supplies. For more information contact: KIDPRINT PRODUCTS, 1608 Danny Way, El Cajon, Ca 92021 (619) 562-2103.

New Key Cylinder Adapter For Preso-Matic Locks

Key Cylinder Locks can now be installed with Preso-Matic pushbutton combination door locks to override the standard 4 digit combination.

A new key by pass adapter available from Preso-Matic can be installed on existing Preso-Matic installations or new installations. Removable core cylinders can be used, and also master keyed. Preso-Matic Lock Co., Inc., 3048 Industrial 33rd Street, Fort Pierce, Florida 33450, Tel. (305) 464-7400.

Motorola Incorporates Economy in a Compact Trunked Radio

Motorola's Communications Sector has introduced the "TRAXAR" Trunked Mobile Radio for economi-
